Ron married his high school sweetheart 67 years ago. They met at a roller rink where Ron was a skate boy and they were also in the same high school. Ron worked in the TV business while attending college part time for six years, while raising four children. He always called himself a steeple-jack because he would change light bulbs on 1,000 foot towers in his younger days. His employer transferred him to Green Bay in 1966, and he worked at

WLUK-TV11 as a production manager and loved every minute of it. He would always say "I wish everybody loved their work as much as I do." Ron never played sports so it's ironic he produced pre-season football in the 70's. He also produced several music shows from Riverside Ballroom and in the TV studio. He was a writer, producer, and director of non-broadcasting videos where he made corporate capabilities video programs for many, many companies, such as Carver Boat, Miller Electric, Bucyrus-Erie, Sweetheart Cup, Fort Howard, and even the Military. When he retired in 1993, he started his own company called Random Services. Under that name he continued making videos and also made the equipment used in video production, such as booms and dollies. He was proud of building the very first Packers Hall of Fame. During his career and after, Ron and his wife, Lenore had many opportunities to travel. Their favorites were cruises and scuba diving trips to Jamaica and Belize every year. Ron loved music and dancing. Books were another love of his, on average he read three books a week! We are so glad you are here at Emerald Bay, Ron!

Jim was born in Milwaukee, WI and moved to Green Bay when he was 13. After graduating, he started working for his dad building houses. In 1956 he was in a bad car accident and was in the hospital for a month. This is where he met Judy, who was working there as a candy striper (a volunteer who assists staff in the hospital) at that time. It was love at first sight and he asked her out before he left. A few years later they married and started

their family of three. He continued working for his dad until the business dissolved, then he became a traveling salesman selling hearing aids. After 10 years he got tired of traveling and became a car salesman for Yineman Dorsch Ford, and then Van Boxtel Ford. He received many sales awards during that time, including cash and trips. His next big venture was purchasing the Hotel Stebbins in Algoma, WI, which Jim and Judy ran for over 25 years. After his stroke they sold the hotel and moved to Allouez, and then to Emerald Bay. Jim and Judy made lots of friends in their line of work, and they really enjoyed their social life. We are glad you are here, Jim!

~Remembering Our Friends~

Helen M. Donovan, 85, of De Pere, WI passed away peacefully on Thursday morning October 14, 2021. She was born on December 3, 1935, in Oshkosh, WI, to Elmer and Rose (Hein) Utic. She was the youngest of 6 children.

On October 10, 1959, Helen married John J. Donovan and together they enjoyed 32 years of marriage.

As an adult Helen worked as a nurse at St. Vincent Hospital, a receptionist at Beaumont Clinic and a call center specialist for The AnSer until retirement. Helen was a devout Catholic with strong faith in God, sharing that faith with her family. Helen was a member of the Howard-Suamico Optimist Club and Exchange Club. Anyone who knew Helen knows that she had an incredible personality, and her smile could light up a room. She will be dearly missed by all.

Helen's family would like to thank the staff at Heartland Hospice with a special thank you to Kellie and Erin. Your care and compassion for Mom was so greatly appreciated.

Roy Kulju, 88, of Green Bay Wisconsin, passed away peacefully on October 12, 2021 with his family by his side.

Roy was born on November 2, 1932 in Champion Michigan as one of 12 children born to Richard and Wilma Kulju.

Roy was employed by Simplex Time and Recorder Company for many years and eventually formed his own company, A & A Time & Security, with Tom Binish.

Roy was a long-time member of the Howard-Suamico Optimist Club, board member, and past president of the organization. He was known for being the life of the party, telling jokes, and being the ultimate "Yoooper" (cutting wood, ingenious ways of fixing things, and protecting Bernice's bird feeders from squirrels). Many of his friends will fondly remember his "Archie" joke and his ability to organize spontaneous parties.

An Eternal Memory...

...Until We Meet Again

Those special memories of you
will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you're no longer here
will always cause me pain
but you're forever in my heart
until we meet again

Genesis Therapy

Please join Genesis Rehab Services at Emerald Bay on November 17th, 2021 in the Pub for our Age In Motion Wellness Seminar. This month topic is Fit and Healthy-Flexibility. The seminar will run from 10:00AM-11:00AM. We hope to see you there!

The "Fit and Healthy - Flexibility" seminar is an educational program designed to provide an overview of stretching and flexibility, and how it relates to fitness and physical wellness. The benefits of stretching are reviewed, and the participants are provided with strategies for incorporating this type of activity into their lifestyle.

~Meet Our New Residents Cont.~

Don was born and raised in Oneida, WI. When he was 14, he helped his dad with his home building business. On the side he helped truck vegetables from their family farm to the canning company. When he was 22 he married Jeanne and they started their family. Shortly after he joined the Army and was stationed in Germany. Jeanne moved to Germany to be with him. After 1-1/2 years they returned to Green Bay and he started working for Murphy Construction. A while later he decided to go in to business himself and started Zepnick & Son's Construction, which he ran for 48 years until he retired. In Don's free time he enjoyed going hunting and fishing with his son's. He and Jeanne also like to play cards with family and friends. Welcome Don!

Jeanne was born in Green Bay, then moved to upper Michigan from ages 3-10, which is where she learned to play the saxophone. When they moved back to Green Bay she attended St Joseph's Academy for three years. While there she got to play Viennese waltz's with her sister accompanying her on the piano. Her folks then purchased Don's farm in Oneida, which is how she met her husband. Her parents wanted all "15" of their children to experience country living. After graduating, she married Don and they started their family. Shortly after, Don had to go to Germany to serve in the Army. Jeanne then moved to Germany to be with her husband. After 1-1/2 years they returned to WI where she was a stay-at-home mom raising their 10 children in Green Bay and surrounding areas. Jeanne said she was in "Hillbilly Heaven" and that her family is everything to her! She said that every time they had a baby they had to throw another potato in the pot! After the kids left home she worked for about eight years at Olson's Piggly Wiggly in Green Bay. She grew up camping, fishing, loved to crochet, sew, cook, and sing. Welcome Jeanne!

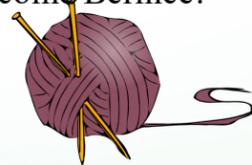

~Meet Our New Residents~

Xenia was born and raised in Richmond, VA. After graduating high school, she had continued her education by attending technical college for English and Typing, at MCV Medical College Hospital. This is also where she worked pulling charts for doctors. She then met and married a wonderful man, Roland "Red" and quit her job to stay home and raise her four lovely children. After retiring she kept busy by helping raise her grandchildren. Xenia sang in her church choir and also enjoyed bowling, tending her flower garden, traveling, and going out for delicious steak dinners. Welcome Xenia!

Bernice was born and raised in Powers, MI. After graduating she went Northern MI College for Elementary Education. Bernice taught elementary school for four years and then worked at Montgomery Ward. She met her husband on a blind date, and she became a stay-at-home mom when she had her first child. She also did substitute teaching for the Howard/Suamico school district. After retiring she enjoyed staying home and crafting, and to this day still loves to knit, crochet, and sew. She has made everything from knitted shoes, baby hats, sweaters, and blankets. She was active in her church, enjoys jigsaw puzzles, and is an avid Packers fan! Welcome Bernice!

Irv was born in Red Wing, MN. When he was 16 he drove milk truck for a couple of years and then joined the Navy and served for over 4 years. When he returned he went to the University of WI for four years for the dairy industry. He then became a salesman for Johnson & Johnson selling milk filters to farmers and received many awards for his excellent sales skills. He then worked for Borden hauling 10-gallon milk cans. After that he became a financial advisor for the rest of his career. Irv and his wife, Helen, had 2 boys. They enjoyed many cruises together, including trips to Canada, Moscow, and Hawaii. He bought a cabin and 160 acres "up north" in Armstrong Creek where he enjoys hunting and spending time with family. Irv also enjoyed woodworking and loves to read. Welcome Irv!
